**ABOUT ORBIS:**

ORBIS is a veteran owned small business (VOSB) established in 2000 that provides engineering, technical, and consulting services to the Department of Defense (DoD) and Commercial Clients. Our employee demographics include engineers, scientists, researchers, and technicians, often prior military personnel representing all branches of the Armed Forces including commanders, engineers, pilots, and infantry.

**ENGINEERING.**

We provide integrated test system design and development, along with systems design, fabrication, testing, and new information technology development.

**CONSULTING.**

We are committed to our customer's success and strive to meet customer needs by providing value-added, innovative solutions to complex technical and program management problems.

**RESEARCH.**

Innovative product development and solutions for commercial customers and the government.
